

GUS MEDICAL & VETERINARY SCHOOLS

Empowering the Next Generation of Doctors and Veterinarians

Our Schools

- Established 1992
- Accredited: NVAO
- NVAO is recognized by WFME
- Located on Saba, Netherlands Antilles
- 3,500+ graduates

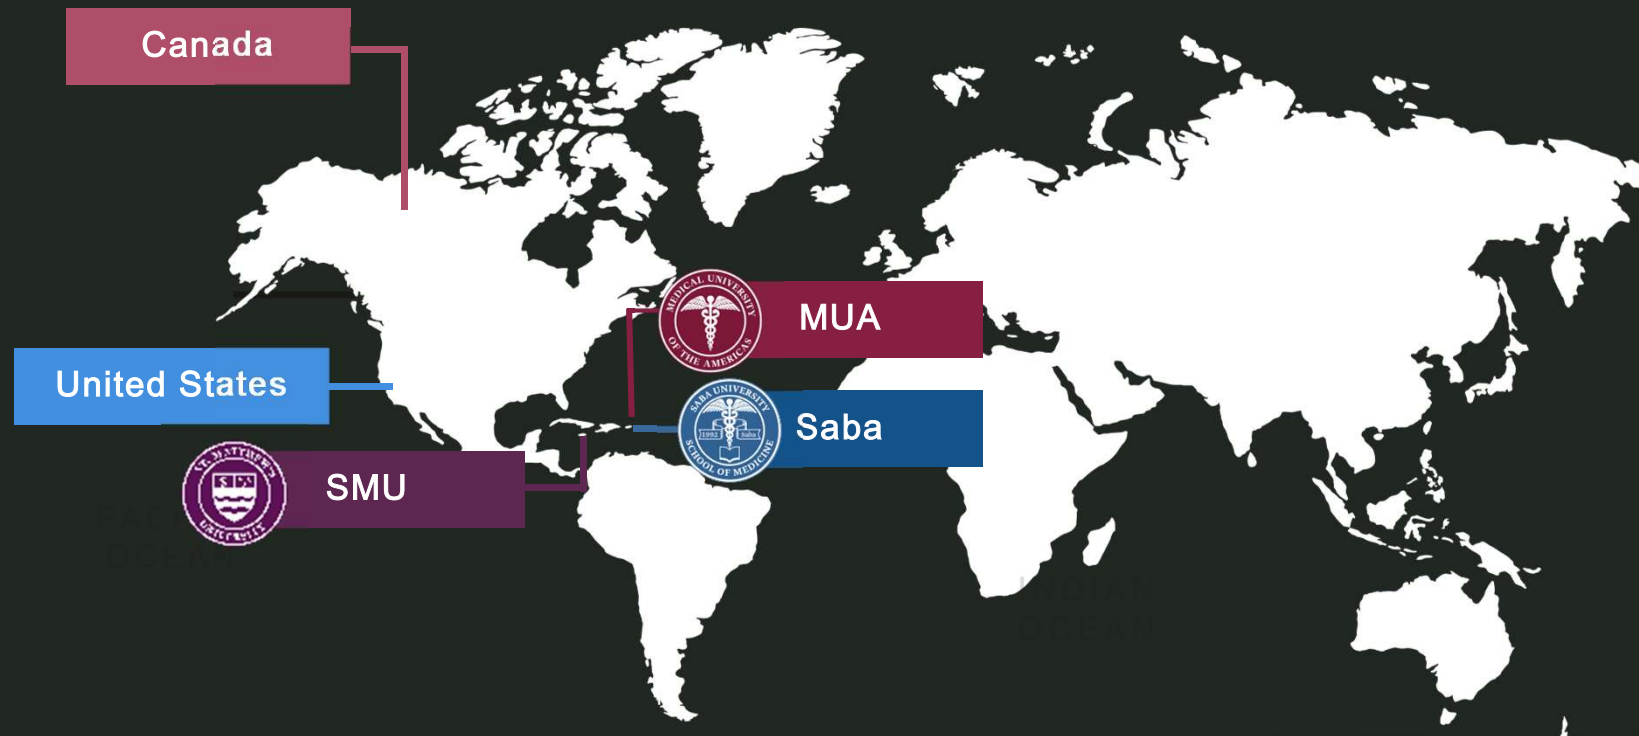

- Established in 1998
- Accredited: ACCM (MD)
- ACCM recognized by WFME
- Located on Nevis, St. Kitts and Nevis
- 1,800+ graduates

- Established in 1997 (Med) and 2005 (Vet)
- Accredited: ACCM (MD)
- ACCM recognized by WFME
- Located on Grand Cayman
- 2,300+ graduates (Med)
400+ graduates (Vet)

Why International Students Choose GUS Medical Schools

USMLE

Preparation and notable first-time pass rates.

Rotations

MD program students benefit from rotation opportunities in the U.S. and Canada.

Results

Graduates consistently earn residency placements in North America.

Academics

Dedicated faculty and individualized support foster strong results.

Approvals

MD programs hold accreditations and key U.S. state approvals.

5-Year BSc/MD Program at MUA

The **5-Year BSc/MD Program** enables students to finish a year of pre-medical coursework before progressing into the four-year MD program. This program is well-suited for students with associate degrees or diploma credentials.

Pre-med curriculum:

SEMESTER 1

Biostatistics, Physics for Life Sciences, Microbiology, Organic Chemistry, and Medical Terminology.

SEMESTER 2

Biochemistry, Communication for Health Professionals, Introduction to Histology, and Cell and Molecular Biology.

SEMESTER 3

Introduction to Nutrition or Health and Disease, Medical Physiology, Clinical Anatomy, and Genetics.

5-YEAR BSC/MD PROGRAM

Admission Requirements

MUA 5-YEAR BSC/MD PROGRAM

PREREQUISITES

- A Levels, IB Diploma, Indian Curriculums
- General Chemistry (1 semester)
- General Biology (preferred)
- Mathematics
- English

APPLICATION SUPPORT DOCUMENTS

- Official transcript(s)
- Two letters of recommendation
- Personal statement (500 words or less)

**GUS MEDICAL &
VETERINARY SCHOOLS**

6-Year BSc/MD Program at MUA

The **6-Year BSc/MD Program** offers a two-year pre-medical curriculum followed by a four-year MD program. The premedical program is offered on-campus or online and is an ideal option for students with secondary school credentials.

* USMLE Step 1 occurs in Year 4 and USMLE Step 2 CK occurs in Year 6.

PRE-MED SEMESTERS

SEMESTER 1

Scientific Inquiry, Intro to College Writing and Comprehension, Math for Biological Sciences, Introduction to Psychology, Medical Terminology.

SEMESTER 2

Organismal Biology, General Chemistry (with lab), Physics for Life Sciences, Medical and Scientific Communication.

SEMESTER 3

Organic Chemistry (with lab), Biostatistics, Communication for Health Professionals, Microbiology (with lab).

SEMESTER 4

Abnormal Psychology, Community Health, Biochemistry (with lab), Introduction to Health Research Methods.

SEMESTER 5

Introduction to Pharmacology, Introduction to Nutrition, Introduction to Histology, Cell and Molecular Biology (with lab).

SEMESTER 6

Clinical Anatomy (with lab), Medical Physiology (with lab), Genetics, Health and Disease.

MEDICAL UNIVERSITY

**GUS MEDICAL &
VETERINARY SCHOOLS**

“I give a lot of credit to it. It gave me the time to hone in on my study skills. It taught me how I could develop more rigor in my studying while building my stamina, so that when I came to Med 1 I had the training to do well. I would say that this training from Pre-Med was key to my ultimately receiving the Dean of Basic Sciences award.”

Troy Hamner, MD

Resident Physician (Preliminary Surgery),
Mayo Clinic Rochester, Minnesota
MUA Alum 2022

ACADEMIC JOURNEY

MBBS to MD

Designed for internationally trained MBBS graduates, this pathway offers the opportunity to enter the MD program with advanced standing. Join a diverse and supportive community of graduates who have earned their MD degrees with MUA and gone on to practice successfully in the U.S., Canada, and internationally.

TUITION AND FEES

MUA | MBBS to MD Costs

International Grant

Eligible applicants who are citizens and permanent residents of a country outside of the United States or Canada will **receive an International Grant of \$2,500 USD per semester** for the MBBS to MD Pathway.

MBBS TO MD PATHWAY			
Tuition and Administrative Fees	Semesters	Cost per Semester	Totals - International Students (USD)
Basic Science Tuition per Term (Term 5)*	1	\$13,750	\$13,750
Clinical Medicine Tuition per Term (Terms 6-10)	5	\$16,500	\$82,500
Administrative Fee per Term (Terms 5-10)	6	\$4,900	\$29,400
Tuition and Admin. Fees Total (Before Scholarships)			\$125,650
Int. Student Scholarship + Opportunity Grant			\$17,500
Tuition and Admin. Fees Total (After Scholarships)**			\$108,150

**Beginning in the fifth semester of the 10-semester MD program is not guaranteed for all MBBS to MD participants. Advanced standing placement depends on academic eligibility and the decision of the admissions committee.*

**Amounts shown include tuition and administrative fees only. Additional fees may apply. Visit mua.edu/admissions/tuition-and-fees for the most complete information.*

ADMISSIONS

Application Process

Apply Online

Students start their application and submit additional documents via the online portal.

Admission Review

The admissions committee assesses applications, interviews eligible candidates and makes decisions.

Decision & Scholarship

Students may receive conditional or unconditional acceptance offers and are considered for scholarships.

Enrollment Confirmation

Accepted students secure their spot by submitting a deposit and a letter of intent within two weeks of receiving an offer and by meeting immigration requirements.

Start Your MD Program

Travel to Saba, Nevis or Grand Cayman to start your MD program.
