

**MEDICAL
UNIVERSITY
of the AMERICAS**

MBBS to MD Pathway

This is your route to practicing medicine
in the United States and Canada!

Medical University of the Americas (MUA) offers eligible students who hold a Bachelor of Medicine and Bachelor of Surgery (MBBS) degree the opportunity to apply for transfer admission into the Doctor of Medicine (MD) program with advanced standing.

Our medical education and training, dedicated faculty, and individualized support services prepare graduates for professional practice in both the U.S. and Canada. Students experience classroom-based learning and early hands-on training on our Nevis campus during Basic Science, before proceeding into Clinical Medicine (semesters 6-10) rotations at affiliated teaching hospitals, clinics and medical centers in the U.S. and Canada.

MBBS to MD Student Journey

Become part of an inclusive community of graduates who have achieved their MD degrees with MUA and gone on to practice in the U.S., Canada and internationally.

MUA Benefits

Personalized Support

Students benefit from our 5:1 student-to-faculty ratio and extensive support services.

93% Three-Year U.S. Residency Placement Rate¹

USMLE Success

Our commitment to academic success helps MUA students achieve strong results on required examinations.

1,800+ Graduates

For 25+ years, MUA has been the home of future physicians and healthcare leaders.

International Community

Embrace diversity in our welcoming student and faculty community.

¹ 93% Three-Year Residency Placement Rate is the percentage of students attaining a residency position out of all graduates or expected graduates in 2023-24, 2024-25 and 2025-26 who were active applicants in the NRMP match or attained a residency outside the NRMP match.

Academic Requirements

- Students must have completed their MBBS from an accredited medical school within five years of application, unless they have been licensed and practicing medicine since their graduation.
- English is the language of instruction at Medical University of the Americas. Applicants whose principal language is not English may be required to take the Test of English as a Foreign Language (TOEFL) or comparable examination.

Program Costs

Tuition and Fees	USD
Basic Science Tuition per Term	\$13,750
Clinical Medicine Tuition per Term (Semesters 6-10)	\$16,500
Administrative Fee per Term (Semesters 5-10)	\$4,900
Malpractice Insurance per Term (Semesters 6-10)	\$295

Please note, tuition details are effective as of September 2026. This chart is not comprehensive – visit mua.edu/admissions/tuition-and-fees for the most complete and current information.

Application Process

Complete the online application at gusgateway.com.

Transcripts

Submit official transcript(s) from each college/university or professional school you attended. Student-issued copies may suffice, pending official transcripts.

Personal statement

Provide a personal statement (no more than 500 words) outlining your motivation for a medical career, how you would contribute to the MUA academic community, notable achievements, personal interests and any other relevant information for the Admissions Committee's evaluation.

Letters of recommendation

Submit two letters of recommendation – one from a college/university professor and another from an employer or physician who has supervised you.

Photos

Submit two passport-size (2" x 2") color photographs.

MCAT

Applicants who are not U.S. citizens, nationals or permanent residents are not required to take the MCAT and submit their scores. However, if you have taken the MCAT, you must submit your scores.

Interview

As part of the admissions process, applicants are required to complete an interview with a member of our admissions team, either in-person or via video-call.
