UNIVERSITY**

MBBS to MD Pathway

Prepare to practice in
the United States and Canada!

At St. Matthew's University School of Medicine (SMUSOM), we provide international physicians who hold a Bachelor of Medicine, Bachelor of Surgery (MBBS) degree with a unique opportunity to transition to practicing in the U.S. and Canada.

Through the MBBS to MD Pathway, those who hold an MBBS degree are eligible for direct entry into our Doctor of Medicine (MD) program with advanced standing. Students who successfully proceed along this path will complete Basic Science on Grand Cayman, before proceeding into Clinical Medicine rotations (semesters 6-10) at affiliated teaching hospitals, clinics and medical centers in the U.S., and select elective sites in Canada.

This pathway provides international students with the education, hands-on training and individualized support they need to earn their MD degrees, and saves them considerable time and money by allowing them to bypass a select number of Basic Science semesters.

MBBS to MD Pathway

Become part of an inclusive community of graduates who have achieved their MD degree with SMUSOM and gone on to practice in the U.S., Canada and internationally.

¹ First-time pass rate defined as total number of students passing the USMLE Step 1 on their first attempt divided by the total number of students taking USMLE Step 1 for the first time during calendar years 2022-2024. In order to sit for the USMLE Step 1 exam, the student must successfully complete the Basic Science curriculum and such other prerequisites as the school may establish at its discretion.

² First-time pass rate defined as total number of students passing the USMLE Step 2 CK on their first attempt divided by the total number of students taking USMLE Step 2 CK for the first time in calendar year 2024. In order to sit for the USMLE Step 2 CK exam, the student must successfully complete the Clinical Medicine curriculum and such other prerequisites as the school may establish at its discretion.

³ 100% Three-Year Residency Placement Rate is the percentage of students attaining a residency position out of all graduates or expected graduates in 2023-24, 2024-25 and 2025-26 who were active applicants in the NRMP match or attained a residency outside the NRMP match.

Our Benefits

**90% USMLE Step 1
First-Time Pass Rate
(2022-2024)¹**

**97% USMLE Step 2 CK
First-Time Pass Rate
in 2024²**

**100% Three-Year
Residency Placement
Rate³**

2,300+ Graduates

For 25+ years, we've helped students achieve their dreams of becoming practicing doctors in the U.S., Canada and other countries.

International Community

Embrace diversity in our welcoming student and faculty community.

Academic Requirements

- Students must have completed their MBBS from an accredited medical school within five years of application, unless they have been licensed and practicing medicine since their graduation.
- English is the language of instruction at St. Matthew's University School of Medicine. Applicants whose principal language is not English may be required to take the Test of English as a Foreign Language (TOEFL) or comparable examination.

Program Costs

Tuition and Fees	USD
Basic Science Tuition per Term	\$18,202
Basic Science Admin. Fee per Term	\$7,570
Clinical Medicine Tuition per Term (Semesters 6-10)	\$24,406
Clinical Medicine Admin. Fee per Term (Semesters 6-10)	\$5,794
Malpractice Insurance per Term (Semesters 6-10)	\$295

Application Process

Complete the online application at gusgateway.com.

Transcripts

Submit official transcript(s) from each college/university or professional school you attended. Student-issued copies may suffice, pending official transcripts.

Personal statement

Provide a personal statement (no more than 500 words) outlining your motivation for a medical career, how you would contribute to the SMUSOM academic community, notable achievements, personal interests and any other relevant information for the Admissions Committee's evaluation.

Letters of recommendation

Submit two letters of recommendation – one from a college/university professor and another from an employer or physician who has supervised you.

Photos

Submit two passport-size (2" x 2") color photographs.

MCAT

Applicants who are not U.S. citizens, nationals or permanent residents are not required to submit MCAT scores. However, if you have taken the MCAT, you must submit your scores.

Interview

As part of the admissions process, applicants are required to complete an interview with a member of our admissions team, either in-person or via video-call.
